TERMINAL DISCLAIMER UNDER 37 C.F.R. §1.321(b)

Mail Stop Amendment
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

Alcon, Inc. is the owner of the entire interest in the above-identified patent application ("Present Application") and copending U.S. Patent Application Serial Nos. 10/694,309; and 11/836,309, ("Reference Applications"). The title history of the present Application and the copending Reference Applications is demonstrated by the attached Assignment documents and associated Notices of Recordation.

Alcon, Inc. (hereinafter referred to as "Alcon") hereby disclaims, except as provided below, the terminal part of the statutory term of any patent granted on the Present Application, which would extend beyond the expiration date of the full statutory term defined in 35 U.S.C. 154 to 156 and 173, of any patents granted on the Reference Applications. Alcon hereby agrees that any patent so granted on the Present Application shall be enforceable only for and during such period that it, the Reference Applications, and any patents issuing therefrom are commonly owned. This agreement runs with any patent granted on the Present Application and is binding upon the grantee, its successors or assigns.

In making the above disclaimer, Alcon does not disclaim the terminal part of any patent granted on the Present Application that would extend to the expiration date of the full statutory term as defined in 35 U.S.C. 154 to 156 and 173 of patents granted based on the Related Applications, as presently shortened by any terminal disclaimer, in the event that any patent based on either of the Reference Applications subsequently: (1) expires for

failure to pay a maintenance fee, (2) is held unenforceable, (3) is found invalid by a court of competent jurisdiction, (4) is statutorily disclaimed in whole or terminally disclaimed under 37 CFR 1.321, (5) has all claims canceled by a reexamination certificate, (6) is reissued, or (7) is in any manner terminated prior to the expiration of its full statutory term as presently shortened by any terminal disclaimer.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.

Respectfully submitted,
ALCON, INC.

WHEREAS I am the below named inventor of the invention entitled:

“HISTONE DEACETYLASE INHIBITORS FOR THE TREATING
DEGENERATIVE DISEASES”

and described in a United States Patent Application filed with the United States Patent and Trademark Office on 27 October 2003, and further identified by Attorney Docket No. 2395 US;
and

WHEREAS, ALCON, INC., a company organized under the laws of Switzerland and having a place of business at P. O. Box 62, Bösch 69, CH-6331 Hünenberg, Switzerland is desirous of acquiring the entire right, title and interest in and to said invention and to any and all Letters Patent of the United States and foreign countries which may be obtained therefor;

NOW, THEREFORE, for good and valuable consideration, I do hereby sell, assign and transfer to ALCON, INC., its legal representatives, successors, and assigns, the entire right, title and interest in and to said invention as set forth in the above-mentioned application, and in and to any and all patents of the United States and foreign countries which may be issued for said invention;

UPON SAID CONSIDERATIONS, I hereby agree that I will not execute any writing or do any act whatsoever conflicting with these presents, and that I will, at any time upon request, without further or additional consideration but at the expense of said assignee, execute such additional assignments and other writings and do such additional acts as said assignee may deem necessary or desirable to perfect the assignee's enjoyment of this grant and render all necessary assistance in making application for and obtaining original, divisional, continuation-in-part, reexamined, reissued, or other Letters Patent of the United States or of any and all foreign countries on said invention and in enforcing any rights in action accruing as a result of such applications or patents, said assistance to include my cooperation in all prosecution associated with obtaining such applications or patents and my provision of testimony in any proceedings or transactions involving such applications or patents, it being understood that the foregoing covenant and agreement shall bind, and inure to the benefit of, the assigns and legal representatives of assignor and assignee.

AND I request the Commissioner of Patents and Trademarks to issue any Letters Patent of the United States which may be issued for said invention to said ALCON, INC., its legal representatives, successors or assigns, as the sole owner of the entire right, title and interest in said patent and the invention covered thereby.
